ABOUT US

Guangzhou Xusheng Furniture

XuSheng Office Furniture is a professional office furniture manufacturer based in Guangzhou, China, specializing in modern workspace solutions for global commercial projects.

Since 2008, XuSheng has developed an integrated manufacturing system covering panel furniture, metal fabrication, quality control, and export coordination.

Our 11,000 sqm production base combines both panel and steel manufacturing under one operation, ensuring consistent quality, efficient delivery, and reliable production control.

We design and manufacture complete office furniture systems for commercial environments worldwide, including workstations, executive desks, conference tables, and storage solutions.

As an ISO 9001 & ISO 14001 certified and FSC audited manufacturer, we operate under strict quality and environmental standards to support long-term global partnerships.

At XuSheng, we focus not only on manufacturing furniture, but also on helping our partners create efficient, modern, and sustainable workspaces through dependable production capability and long-term cooperation.

Details of the executive desk

Excellent design is like the spring breeze caressing the frozen soil. The enthusiasm of the employees thus turns into a garden full of blooming trees.

Design to enhance
everyday life.

01

Office Desk

In this era of information overload, true control stems from "focus".

We discard all superfluous embellishments and present this executive desk to you with minimalist lines and a warm, smooth touch.

Meeting Table

Stop envying other people's offices.

This booth can really secretly double your sense of happiness at work

Model No.	W × D × H(mm)
XS-MA1816A	1800x1600x750
XS-MA2016A	2000x1600x750

An efficient meeting should not be interrupted by a chaotic environment.

This conference table takes "purity" as its design origin - sharp lines, steady tones and restrained details.

It quietly accommodates every discussion, bringing everyone's attention back to the topic itself.
